## **PHYSIOTHERAPY ASSOCIATES APPOINTS DANIEL J. CONNORS CHIEF EXECUTIVE OFFICER**

PHILADELPHIA – February 10, 2009 – Physiotherapy Associates, a leading U.S. provider of outpatient rehabilitation services, announced today that its board of directors has appointed Daniel J. Connors to chief executive officer, effective immediately. Mr. Connors assumes the position from Chairman and CEO William R. Floyd, 63, who resigned his positions with the Company and the board to pursue other interests.

Mr. Connors, 50, brings to Physiotherapy Associates more than 25 years of leadership experience. In his most recent position as CEO of Wire One Communications, Inc., Mr. Connors led the company to double-digit growth. Prior to Wire One, he spearheaded Kinko's turnaround to increase the company's sales and revenues. Mr. Connors has also held executive positions with Bain & Company, Inc., HQ Global Workplaces, Inc. and Wang Laboratories, Inc.

"Dan is an outstanding leader who excels at driving companies to achieve optimal performance and results," said Jim Connelly, a member of Physiotherapy Associates' board of directors and a partner with Water Street Healthcare

Partners, a leading private equity firm focused exclusively on health care and an investor in the company. “Dan’s strong leadership style, detailed operational expertise and unwavering focus on the customer will be important assets in guiding Physiotherapy Associates through its next period of growth.”

Mr. Connors began his career as a lawyer. He served in the U.S. Air Force General Counsel’s Office at The Pentagon, and holds law degrees from Georgetown University and The Ohio State University. He earned a master’s degree in business administration from The Wharton School of the University of Pennsylvania and a bachelor’s degree in finance from the University of Notre Dame. Mr. Connors currently serves on the board of directors of United Stationers Inc.

“Physiotherapy Associates has a strong reputation for clinical excellence. I am excited to begin working with the Physiotherapy Associates team to build on the company’s strong foundation of clinical care, and establish it as the clear leader for delivering the highest quality of care and service in the industry,” said Connors.

### **About Physiotherapy Associates**

Physiotherapy Associates is a leading national provider of outpatient rehabilitation services. Physiotherapy Associates employs a leading team of physical therapists and health care practitioners who are dedicated to high-quality patient care. The company provides physical therapy, industrial rehabilitation, and orthotic and prosthetic services to thousands of patients across the U.S. through its national network of community centers.
